

POLICE SIREN WITH LED FLASHER 2 LED
CODE 1202 **LEVEL 1**

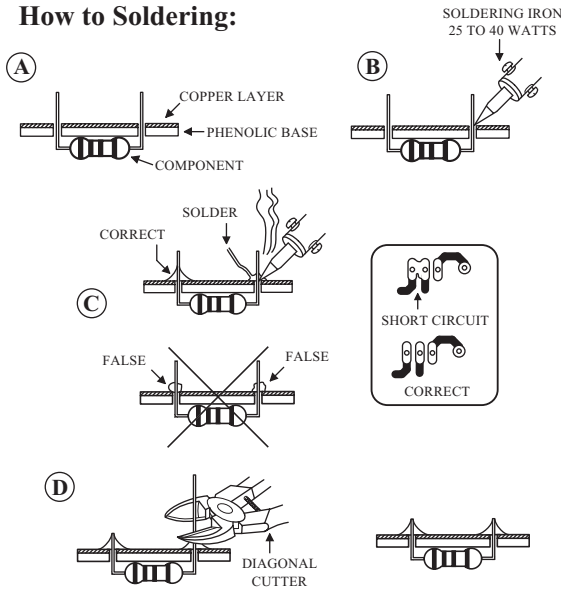

Technical Specifications:

- Power supply : 9VDC.
- Consumption : 38mA.
- Display : 2 LEDs.
- PCB dimensions : 3.64 x 1.60 in.

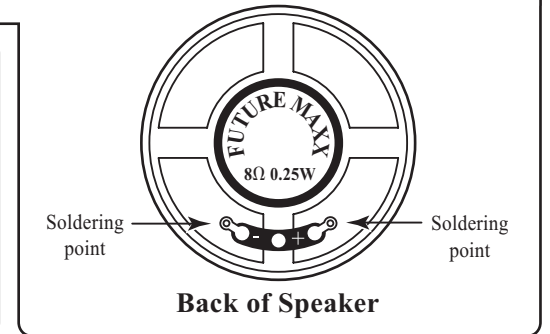

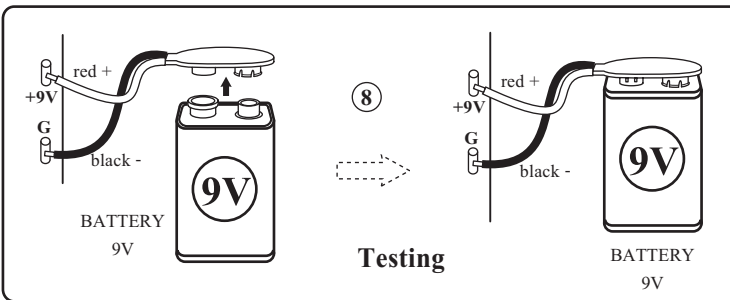

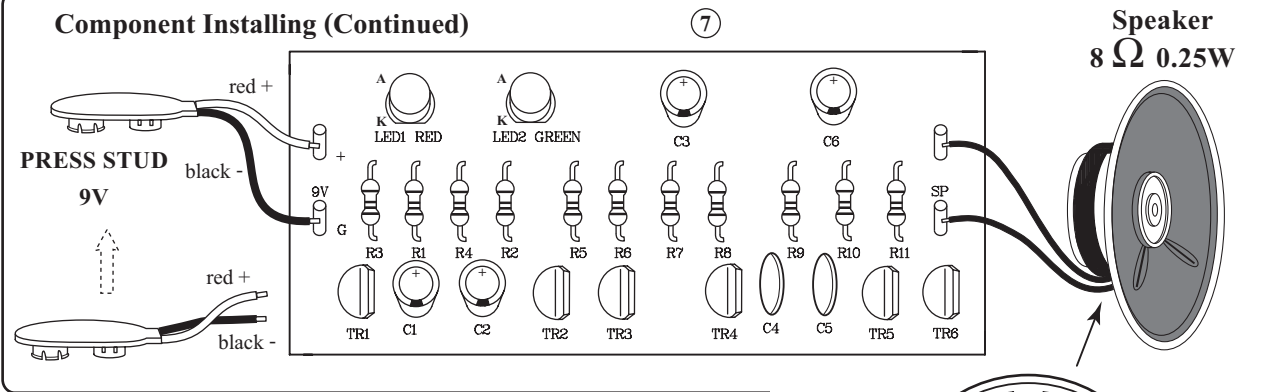

Soldering Components:

How to Soldering:

Component Installing (Continued)

Component Installing

It is to be noted that soldering have to be made after finished each step.
